Kipnes Centre for Veterans -- Day Program

August 2017 Newsletter

Happy August we hope that you are enjoying your summer. July was a busy month in the Day Program, one of the highlights in July was that we held our **First Annual KDays Crib Tournament** and congratulations to **Bob C and Rob D** who took home first place. **Terry A and Jim M** had a great tournament winning two games in a very competitive event, but it came down to points and even though they had 2 solid wins,

one loss put them into 5th place. Congratulations to all our teams, we are looking forward to hosting another one in February. Please note that any family members can enter into the tournament. Our Day Program Garden has been overflowing with lettuce, beans, carrots, cucumbers, squash and zucchini. The clients have enjoyed harvesting the fruits of their labour and we have been sending some home with the clients. Our zucchini cake recipe is to die for so if you want a copy, please ask and we will ensure you get one.

We have a few events scheduled for **August** that we want you to mark on your calendar, please note that **August 11 is the Family and Client BBQ** and all families welcome, please RSVP by Friday, Aug 4.

On July 11, 2017 we held our semi-annual **Client/Family Forum** if you would like a copy of the minutes please let us know. Forum meetings are the family's opportunities to get program updates and provide feedback. In addition to these meetings we also want to remind each of you that we have our yearly conferences with our Client and Families, where we discuss the care goals of the client attending the program continue to be booked throughout the year. These conferences occur shortly after a client is admitted to the program and then once a year. Elizabeth our clerk sets up these conferences and will be contacting you as they are needed. Please note at any time that you have any question/suggestion/concern, feel free to call Barb Potter to discuss

We wish Lindsay D, one of our staff members in the day program all the best as she pursues new adventures, Lindsay last day was July 25, she has worked at KCV for the past 5 years and her creativity and spontaneity will be missed.

Friendly reminders –

1. **Absences** - With summer in full swing we appreciate that you want to spend time with your loved ones, however, please keep in mind that if you are absent we do need to report this to Homecare. Additionally if you are absent for more than 2 weeks you will need to discuss with Barb Potter.
2. Please remember to **label clients jackets and hats** with their names
3. Ensure **medications** are well labeled.
