Hello everyone, it's hard to believe, spring has arrived. Thank you to everyone who has helped with planting plants as it has been a huge success. We will be having a **Plant Sale in DAY PROGRAM GARDEN & PLANT SALE on FRIDAY, MAY 18 FROM 9-2**

Please note that the **Day Program is closed on Monday, May 21 and Friday, May 25, 2018.** DATS subscriptions will not be operating on Monday, May 21, so if you have a standing DATS appointment they will not come to pick you up.

Support Groups - There is an **Alzheimer's Partner Support** group running, **May 23rd and June 27th.** The Care Partner Support Group is designed for family members who want to meet others to share experiences, to learn new information, to receive peer support and to help each other cope more effectively. All Care Partner Support Groups are on a drop-in basis. It is located at **McConnell Place North 9113-144 Ave from 7:00-9:00 pm.** This is a drop in group, and no registration is required.

Please note that last year there were changes to the **Social Leave Policies** regarding attendance for Day Programs. If a client is missing more than 2 weeks at a time, it may mean that they are discharged from the program and then put back on the waitlist. If you are planning a leave for longer than 2 weeks, please speak to Barb Potter.

Please remember that we have yearly conferences with our **Elders and Families**, where we discuss the care and goals of the Elder attending the program continue to be booked throughout the year. These conferences occur very shortly after an Elder is admitted to the program and then once a year after admission. Elizabeth our clerk sets up these conferences and will be contacting you as they are needed. Please note at any time that you have a question/suggestion/concern, feel free to call Barb Potter to discuss.

Please remember to put your loved ones names on their jackets and hats and **ensure medications are well labeled.** We have had incidents where coats are not labelled and we are noticing some go missing.
