WEBINAR SERIES

Building a Better System to Support Canadian Family Caregivers

Participate in a National Canadian Conversation: What are the key elements needed to support family caregivers?

Conversations will take place from

12:00 - 1:30 MST

on the following dates:

- **September 20**
- **October 4**
- **October 18**
- **October 31**
- **November 15**
- **November 29**

All are welcome to register. Each session will feature different speakers and topics.

Family caregiver:

Any person who takes on a role providing emotional, physical, or practical support in response to mental or physical illness, disability, or age-related needs.
